The following have been added by full text:

AMENDMENT 0002

Addendum No. 1

1. Additional Scope.

Contractor shall furnish and install Electric Power Operators and Actuators similar to Series #4630 or #4640 as manufactured by "LCN" or approved equal, on the seven (7) doors specified (below). The electric power operators and actuators shall meet all requirements of the American With Disabilities Act (ADA), and ANSI 117.1. All actuators shall be permanently mounted in locations that meet the ADA and ANSI code requirements. All operators shall be mounted on the door frame or window wall system, not on the door itself. Electrical wiring and power to the system shall be as per the National Electric Code and contract specifications and shall follow manufacturers standard installation procedures.

Contractor shall submit shop drawings, for approval prior to installation. Shop drawings shall include catalogue cuts that indicate style, size, color and finish (to match existing). Shop drawings shall also indicate locations of all items to be installed and method of installation.

Actuators shall be hardwired (concealed) to power operators in areas where doors are new (three doors). In areas where the installation is for existing doors (four doors), the actuators shall be wireless (radio signal type).

The following is a list of the seven doors that require operators and actuators and their locations.

Existing Doors:

Two (2) Southern most doors at the front Vestibule and Atrium, 1 exterior and 1 interior.

One (1) Western most door at the South side of the Gift Shop (door set #105).

One (1) Interior door from the basement level vestibule into the Meeting Room.

New Doors:

Two (2) Doors into the handicapped lift enclosure, 1 at grade level and 1 into the basement vestibule. (doors 106 and B08)

One (1) Western most interior door into the Gift Shop vestibule. (door set #104).

2. Drawings E-114.

Basement men's, women's and Handicap toilets.

Contractor shall remove existing lighting fixtures and associated wiring in the men's, women's and Handicap basement toilets. Contractor shall furnish and install seven (7) Type C Lighting Fixtures (three in men's basement toilet, three in women's basement toilet and one in handicap basement toilet). Electrical wiring shall be as per specifications and connected to the nearest circuit. Light switches shall be installed in each toilet room.
